Los Angeles Medical Center Pharmacy Residency
Program

#iRechargeBy working out in the mornings before going to work and spending time with my family

Alexander Cao, Pharm.D.

Area Pharmacy Director & Longitudinal Preceptor

Welcome to the KP Los Angeles Medical Center (LAMC)!

We are all excited to share with you the talented and skilled pharmacy teams we have at LAMC. Being the tertiary care, “flag ship”, medical center for the entire KP Southern California region means you’ll see very unique operations and services at LAMC. To accomplish this, we need great people. That’s dedicated, hardworking, and skilled pharmacists, technicians, assistants, interns...and RESIDENTS! (This is where you come in!)

I know you have many choices for residency and post-graduate training, so “THANK YOU!” for your interest in joining the KP LAMC Pharmacy Family!
