

PGY2 Ambulatory Care Pharmacy Residency Program

Kaiser Permanente Colorado

PGY2 Ambulatory Care Residency

Kaiser Permanente Colorado offers a diverse PGY2 residency that provides the opportunity to acquire advanced knowledge and skills in ambulatory care within an integrated care delivery system.

Program Goal: the graduate will be prepared to practice as a clinical pharmacy specialist across a variety of ambulatory care settings.

Enjoy over 300 days of sunshine a year in Colorado!

With the breathtaking scenery of our world-famous Rocky Mountains, Colorado offers numerous activities from rock climbing and skiing to shopping and fine dining.

Whatever your interests, Denver is the perfect place for a PGY2 Ambulatory Care Residency!
