# BALDWIN PARK MEDICAL CENTER

## PGY-1 Pharmacy Residency Program

The Kaiser Permanente Baldwin Park PGY-1 Pharmacy Residency Program provides pharmacists with advanced training to function competently and confidently in multiple healthcare environments, including acute care, ambulatory care, outpatient pharmacy, and administration/management. Pharmacists will refine skills in leadership, effective communication, collaboration, medication optimization, and clinical practice management in a dynamic healthcare climate. Upon completing the program, pharmacists will possess marketable skills for the evolving job environment and contribute to advancing the pharmacy profession.
