## Residency

Kaiser Permanente Woodland Hills provides **two resident positions** in an ASHP accredited PGY1 Pharmacy Residency program. Each resident calendar is individually tailored to meet the needs of the resident, ASHP objectives, and rotation objectives.

Features that distinguish our program include:

- Excellent teamwork with our diverse medical staff
- Critical literature analysis
- Physician medication education
- Development of written and oratory presentation skills
- Publishable residency projects
- Leadership development
- Unique core and elective rotations offered
- Updating clinical guidelines

Year-long volunteer opportunity at **Free Clinic of Simi Valley** to practice ambulatory pharmaceutical care in an underserved, mainly Spanish-speaking patient population, alongside KP Family Medicine Residents. The clinic gives residents opportunity to provide essential services to those who lack access to traditional care and make a significant impact on the lives of many families.

Pharmacy residents will manage patients with diabetes, hypertension, hypothyroidism, hyperlipidemia, and anticoagulation.

## Requirements for Acceptance

The applicant must be a Doctor of Pharmacy graduate from an accredited school of pharmacy and must meet all qualifications for licensure in California. A personal interview is required.

## Salary and Benefits

This is a one-year residency program commencing June 2024.

Salary:	Competitive
Holidays:	Many paid holidays
Sick Leave:	See benefits brochure
Health Benefits:	Medical, dental, vision disability, retirement plans life insurance

## Other Benefits

- One-year paid membership to a professional society of your choice.
