

Adrienne Tedesco, PharmD

Hometown: Tualatin, OR

Pharmacy school: Oregon State University, Corvallis, OR

Interests: Diabetes, hypertension, anticoagulation, mental health

Hobbies: Hiking, reading, playing with my pets, trying new restaurants and traveling.

Why I chose Kaiser Permanente Northwest: I originally chose Kaiser Permanente Northwest because of the wide variety of ambulatory care experiences the program offers. During my interview, I could sense the kindness and passion for teaching from the preceptors and leadership team. My time so far at KPNW has exceeded all expectations. I can tell the residents' learning is a priority and the residency team works hard to ensure we feel supported and heard. I'm so thankful to be a part of the team!
