BALDWIN PARK MEDICAL CENTER

PGY-1 Pharmacy Residency Program

The Kaiser Permanente, Baldwin Park PGY-1 Pharmacy Residency program is a 52-week postgraduate curriculum that offers training in acute care, ambulatory care, outpatient pharmacy, drug information, drug use management and practice leadership. Residents will refine skills in leadership, effective communication, collaboration, medication optimization, and clinical practice management in a dynamic healthcare climate. Upon completing the program, residents will possess marketable skills for the evolving job environment and contribute to advancing the pharmacy profession.
