Care Pain Management Pharmacist. Dr. Leung currently works as a Drug Impact Pharmacist, working on different drug initiatives to help provide safer and more cost-effective therapies. She also coordinates the Advanced Practice Pharmacy Experience program. Her personal interests include dancing.

Hoaithi Nguyen, Pharm.D.

Ambulatory Care Pharmacist – Heart Failure Program

Dr. Nguyen is a graduate of the University of Southern California. She went on to work as an inpatient clinical pharmacist and preceptor at Kaiser Permanente, Panorama City, with a focus on critical care. After 7 years in the inpatient setting, she moved on to become an adult hematology/oncology pharmacist. After a year in oncology, she left to go to Kaiser Permanente Downey Medical Center, where she now works as a heart failure pharmacist, and continues to precept students and residents. Outside of work, Dr. Nguyen enjoys the outdoors, running and hiking some of the highest peaks in the world.

Nicole Nguyen, PharmD, BCPPS

Inpatient Pharmacist – Pediatric / Neonatal Intensive Care

Dr. Nicole Nguyen received her Doctor of Pharmacy Degree at the University of California San Francisco School of Pharmacy. She completed her PGY1 Pharmacy Practice Residency at Providence Health & Services in Portland, Oregon. After residency, she worked at Providence St. Joseph Medical Center practicing Critical Care, Antimicrobial Stewardship and NICU for several years. Currently, she is working as a Pediatric / Neonatal Pharmacist at Kaiser Downey Medical Center. Her favorite pastimes are doing outdoor activities, traveling, and discovering new eateries with her family and friends.

Jennifer Salmingo, PharmD

Ambulatory Care Pharmacist – Complete Care

Dr. Salmingo is a graduate of the University of Southern California School of Pharmacy. She has been with Kaiser since starting as an outpatient intern pharmacist at Kaiser Permanente Woodland Hills. After completing her PGY1 residency at the VA Loma Linda Healthcare System, she transferred to Kaiser Permanente Downey Medical Center and has worked as an Ambulatory Care pharmacist in the areas of Anticoagulation, Medication Therapy Management, and New Member Program. She currently serves as a Cardiovascular Diseases (CVD / Complete Care) pharmacist for two Internal Medicine modules. While at Downey Medical Center, Dr. Salmingo has enjoyed precepting interns, students, and residents by guiding and watching them mature into independent practitioners. She received an “Outstanding Preceptor Recognition” award in 2013. Her personal interests include yoga / fitness, traveling with family, catching up with friends, and watching HGTV.
