Why Kaiser Permanente Northwest: I chose Kaiser Permanente Northwest because of the wide variety of learning opportunities and its strong focus on team-based, patient-centered care. During the interview process, it was clear how supportive and passionate the team is, and I immediately felt that it was a place where I could learn, grow, and thrive. Having completed my PGY1 residency here, I'm excited to continue into the PGY2 program and further develop my skills as I grow into a confident, well-rounded pharmacist.
