KAISER PERMANENTE

Inland Empire

**PGY-2 Oncology Pharmacy
Residency Program**

Our Program

Our PGY-2 Oncology Pharmacy Residency Program at Inland Empire is the **first ASHP-accredited PGY-2 Oncology Program within Kaiser Permanente nationally**.

We are located within Southern California at the Ontario/Fontana and Riverside Medical Center Areas in San Bernardino and Riverside Counties, which serve the largest membership area within Kaiser Permanente in the Nation with over 1 million members.

Our services include outpatient oncology infusions, inpatient chemotherapy management, pharmacy driven protocols such as carboplatin per pharmacy dosing, electrolyte management, erythropoietin stimulating factor management, and oral chemotherapy management. We work in collaboration with physicians, nursing, and researchers to provide exceptional services for our patients

Scope of Services

Our scope of services includes but is not limited to the following:

- Breast Cancer
- Colorectal Cancer
- Acute and Chronic Leukemia's
- Lung Cancer
- Lymphomas
- Ovarian Cancer
- Prostate Cancer
- Melanoma
- Renal, Liver and Pancreatic Cancers
- Antiemetic Therapy
- Pain Management
- Myelosuppressive Therapy
- Nutritional Support Therapy
- Anti-infective Therapy in Immunocompromised Patients
- Anemia

Core Rotations

- Fontana Adult Hematology-Oncology
- Fontana Pediatric Hematology-Oncology
- Oncology Pharmacy Drug Intelligence & Strategy (DIS) and Beacon Module
- Riverside - Oral Chemotherapy Clinic
