

## KAISER PERMANENTE WOODLAND HILLS PGY2 ONCOLOGY PHARMACY RESIDENCY PROGRAM

Join us in Woodland Hills for our innovative PGY2 oncology pharmacy residency program.

This residency prepares residents to become advanced practice providers with expertise in oncology pharmacy, fostering professionalism and leadership. Through this program, residents will learn to deliver personalized, high-quality, evidence-based medication therapy management.

| CORE ROTATIONS                                                                                                                                                                                                        | ELECTIVE ROTATIONS                                                                                      | LONGITUDINAL EXPERIENCES                                                                                                              |
